NANAIMO CITY BY-LAWS.

A BY-LAW RELATING TO CITY POUNDS.

WHEREAS it is desirable to pass a general by-law to prevent animals from running at large, and to establish a city pound:

Be it therefore enacted by the Municipal Council of the Corporation of the City of Nanaimo as follows:—

1. There shall be established in the City of Nanaimo a city pound, and it shall be located at such place and on such premises as the Council shall from time to time appoint, and it shall be designated as the "City Pound," and the keeper thereof shall be appointed by an act under the instructions of the Council.

2. It shall not be lawful for any person or persons to suffer or allow his, her or their horses, mules, oxen, bulls, cattle, goats, sheep or swine, or any one or more of them, to run at large within the limits of the City of Nanaimo at any time.

3. It shall be lawful for the appointed pound-keeper to impound any and all animals mentioned in second section hereof if found running at large within the limits of the City of Nanaimo, and he is hereby required to impound such animals and detain the same until the owner or owners thereof shall have paid any claim for damages for trespass, and the pound-keeper's fees and charges allowed by this by-law over and above the penalty alone, where no trespass has been committed.

4. Whenever any animal shall have been impounded as aforesaid, it shall be the duty of the pound-keeper daily to furnish such animal good and sufficient food, water and shelter during the whole time such animals are impounded, and for so doing he shall be entitled to demand and receive the following allowances, viz.:—

For every horse or mule, per day, fifty cents;

For every other animal, per day, fifty cents;

And such allowance as aforesaid may be recovered with costs by summary proceedings before the Police Magistrate, or any two Justices of the Peace having jurisdiction over offences against the by-laws of the Corporation of the City of Nanaimo, in like manner as fines, penalties and forfeitures for breaches of any by-laws of the said Corporation of the City of Nanaimo.

5. It shall be the duty of the pound-keeper immediately to inform the owner of any animal impounded of the fact, or, if the owner be not known, to cause a notice thereof, in writing, to be affixed to the pound

gate and at the city hall, and in such notice to give as nearly as possible the marks and colour of the animal, and if, after the expiration of six days from the date of such advertisement, no owner be found, the pound-keeper shall advertise the sale of such animal by public auction, giving five days' notice of the sale in some local newspaper, and shall accordingly sell for the best price that can be obtained for the same, unless the owner of such animal, or some other person on his or her behalf, shall, prior to such sale, release the said animal by paying the fees and charges of the pound-keeper for feeding, advertising and selling the said animal. All moneys received by the pound-keeper as aforesaid shall forthwith be paid to the City Clerk of the said Corporation of the City of Nanaimo, who, after deducting the fees and charges for feeding, advertising the sale, and the selling of such animal, and the penalty, shall pay the damages (if any) to the person entitled thereto. If the owner or owners of any distress taken while doing damage, or any person on his or her behalf, shall appear and dispute the amount of damages claimed, it shall and may be lawful for the pound-keeper to apply to the Mayor, who is hereby authorised and required forthwith to summon three disinterested inhabitants of the said Corporation of the City of Nanaimo, and such three persons, or any two of them, shall, within twenty-four hours after notice of their appointment as aforesaid, view the grounds and premises upon which the animal was found doing damage, and shall appraise the damages committed, and the determination or award of a majority of them shall be conclusive as to such damage, and they shall, within twenty-four hours after having made the view, give in writing to the pound-keeper a statement of the amount of damages so assessed by them, and their lawful fees and charges.

6. The owner of any animal mentioned in the second section of this by-law, and taken running at large within the limits of the said Corporation of the City of Nanaimo, shall pay the following penalties over and above the charges of the pound-keeper for feeding, advertising for sale and selling such animal, and the damage claimed or assessed against such owner as hereinbefore provided, that is to say:—

For every stallion, five dollars (\$5.00);

For every other horse, mare, gelding, colt, filly or mule, two dollars (\$2.00);

For every bull, five dollars (\$5.00);

For every cow or other head of cattle, one dollar (\$1.00);

For every boar pig, two dollars (\$2.00);

For every other pig, sheep or goat, fifty cents (50 cents);

To be recovered by summary proceedings before the Police Magistrate, or any two Justices of the Peace having jurisdiction over offences against the by-laws of the City of Nanaimo, either upon the confession of the party complained of, or upon proof upon oath of one or more credible witnesses.

7. It shall be lawful for any one to drive any animal mentioned in the second section of this by-law, if found running at large within the limits of the Corporation of the City of Nanaimo, to the city pound, and such person shall be entitled to be paid the following fees:—

For every horse, mule, cow or other head of cattle, pig, sheep or goat, fifty cents (\$0.50).

And it shall be the duty of the pound-keeper to impound the same until the pound-keeper's fees and charges, as allowed by this by-law, and the fees in this section mentioned, have been paid, and the pound-keeper shall proceed in the same manner with such distress, and pay over the moneys in the same manner as directed by the fifth section of this by-law.

8. There shall be levied and collected over and above the fees hereinbefore mentioned, the following fees, that is to say:—

For attending for the summons, and serving the same on the appraisers of damages, seventy-five cents (\$0.75).

9. If any person, without the authority of the law, and without first paying the penalty, damages and costs, takes such animal or animals after being impounded, out of the possession of the pound-keeper, without his consent, such person shall be liable, upon conviction before the Police Magistrate, or any two Justices of the Peace having jurisdiction over offences against the by-laws of the Corporation of the City of Nanaimo, to be punished therefor by fine not exceeding fifty dollars or by imprisonment not exceeding two months, in addition to the penalties provided for an infringement of the provisions of this by-law.

10. It shall be the duty of the City Clerk of the Corporation of the City of Nanaimo, to furnish each pound-keeper with a book, in which he shall enter the number and description of every animal impounded by him, with the name of the person who took or sent the same to be impounded; the day and hour on which he received the same, the day and hour on which same were redeemed, and the amount of damages or penalties and fees paid by the party redeeming the same, or the proceeds of the sale (if any); and each pound-keeper shall, on or before the fifth day of each month in the year, make a return to the said City Clerk in writing, of the number and description of all distresses received by him during the month preceding such return, with the names of the persons taking the same to the pound; the amount received and when the same was redeemed, and any other information he may deem necessary, which return shall be verified by oath.

11. Every pound keeper shall at all times produce his books for the inspection of the said City Clerk when required.

12. It shall be the duty of the pound-keeper, and every member of the police force, to ascertain the names of any owner or owners of any animals mentioned in section three hereof found running at large within the city limits, and to lay information before the Police Magistrate or any Justice of the Peace having jurisdiction over offences against the by-laws of the Corporation of the City of Nanaimo, against any such owner or owners, for allowing such animal or animals to run at large within the city limits; and it shall be the duty of the Police Magistrate, or any two Justices of the Peace having jurisdiction over offences against the by-laws of the Corporation of the City of Nanaimo, to impose a fine of not less than five dollars and not more than twenty-five dollars and costs for each offence, which fine shall be paid to the City Clerk for City purposes.

13. "The Nanaimo City Pound By-law, 1891," "Nanaimo City Pound Amendment By-law, 1892," and "City Pound Amendment By-law, 1893," are hereby repealed.

14. This by-law shall be cited for all purposes as the "City Pound By-law, 1897."
